

GitHub

Customer Terms

The **GitHub Customer Agreement** applies to all GitHub Products and Support for customers who purchase directly from GitHub.

General Terms

General Terms

The GCA General Terms is our base agreement for corporate purchases. If you purchase GitHub through Microsoft, the General Terms will not apply to you and your Microsoft agreement will apply instead.

The following documents also apply, depending on what product(s) you purchase:

Product Specific Terms

GitHub Enterprise Cloud

If you license GitHub Enterprise Cloud, then this document applies. If you license GitHub Enterprise (also called "GHE Unified"), then both this document and the GHES Product Specific Terms apply.

GitHub Enterprise Cloud (Enterprise Managed Users)

If you license GitHub Enterprise Cloud (EMU), then this document applies. If you license GitHub Enterprise (also called "GHE Unified") and use the Enterprise Managed Users feature, then both this document and the GHES Product Specific Terms apply.

GitHub Enterprise Server

If you license GitHub Enterprise Server, then this document applies. If you license GitHub Enterprise (also called "GHE Unified"), then both the Cloud and Server documents apply.

GitHub AE

If you license GitHub AE then this GitHub AE document applies.

GitHub Copilot

If you license GitHub Copilot then this document applies.

Additional Terms

GitHub Data Protection Agreement

The GitHub DPA applies to the processing of data for GitHub Enterprise Cloud, GitHub Enterprise Cloud (EMU), GitHub Enterprise (Unified), GitHub AE, GitHub Teams, and GitHub Copilot.

GitHub Online Services SLA

The SLA applies to Cloud, Cloud-EMU and GitHub AE and is referenced in those addenda.

U.S. Public Sector Amendment

This addendum applies if you are a government entity located in the U.S.

Educational Institution Amendment

If you license as part of our educational programs, then this amendment applies in addition to the General Terms, the Product Specific Terms and Additional Terms.

Additional Products & Features Terms

The Additional Products & Features terms apply to use of GitHub's additional products and features, such as Actions, Codespaces, and GHAS.

Premium Support Terms

The Premium Support Terms apply to customers who use Premium Support.

Professional Services Terms & Conditions

The Professional Services Terms & Conditions apply to customers who order Professional Services from GitHub.

Updates

Updates to Customer Terms

The Updates to Customer Terms page lists changes to the Customer Terms.
